

# Sherab GYATSO

## DEVELOPER | POWERCODERS PARTICIPANT

### PROFILE

I was a developer with over 3 years of experience. I have developed websites and applications that address the needs of organizations using GitHub, docker containers and hosting on-premises as well as in the AWS and Azure cloud. Currently I am transitioning to a career in the field of AWS cloud computing. I am a reliable, fast learner, passionate and committed to every project I work on.
